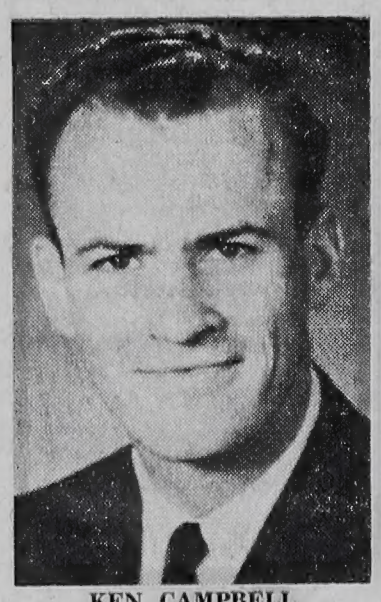
Crusade For Christ Begins This Sunday Night



KEN CAMPBELL

All of the planning, praying and working of over a year will come to a climax this Sunday night in the High School Auditorium at 8 p.m. The churches involved in the Crusade for Christ effort are to be congratulated for their willingness to support such an endeavour.

Last year's Crusade was a success by any human measurement — enthusiasm, attendance, dedications — and no one in this area is competent to judge all of the spiritual results. If memory serves us right, over six hundred and sixty people attended the closing meeting of the Crusade. When we consider that this was in an overcrowded audi- um, upstairs, and that over 100 people stood throughout, this speaks well of enthusiasm.

This year a larger auditorium has been provided. Baby-sitting services are being arranged at the school. Parking is ample behind and beside the school.

Buses are going to run from Minden, Harcourt, West Guilford and Haliburton village. The bus from Minden leaves nightly from the Post Office at 7:30 p.m

There will be a bus leaving Haliburton to arrive at the High School at 7:30 and at 7:50 each night. It will stop at Miller's, Emmerson's and at the Bank of Montreal.

Special prayer meetings have been held all of this week and a dedication service is planned for 11 o'clock Good Friday morning. All participating churches will be represented at the joint communion service.

The Evangelistic Team of Ken Campbell and Jim Reese, so well accepted last year, will be back again this year and will minister at the Good Friday service.

Everyone is welcome to attend the Centennial Crusade for Christ which begins this Sunday and continues through until Sunday, April 2.

HALIBURTON — ONTARIO THURSDAY, MARCH 23, 1967

THIS WEEK'S PRESS RUN—2243

Established in 1882 as the Minden Echo & Haliburton Recorder

Local Fire Chief Reinstated

March 20, 1967.
Reeve of Dysart et al,
Haliburton, Ontario.
Dear Mr. Brohm:

Due to the circumstances of Mr. Sid Roberts' resignation, we the Fire Department as a whole, have voted to give the council until the 10th day of April to ask Mr. Sid Roberts to reconsider his resignation.

As of this date, March 20, 1967, Monday night meetings will be discontinued and emergency calls will be answered only until April 10, 1967,

In the past this Department has been split up into four groups (five men to each group). This is for the purpose of having one group on call for one week to answer calls. This group is responsible for calling the required number of members for ambulance and fires. This grouping assures that at least five members will be available at all times. This is done free gratis.

After April 10, 1967, all the Fire Department's personal furniture, etc. will be taken from the premises, if this present situation has not been settled by council.

Please take note. We are not after more money than the $1.00 per hour, which we now receive.

We are willing to meet with council any time between now and the 10th of April, 1967.

Yours truly,
Dysart Fire Department.

C.C.
Mr. Wayne Wood, Clerk.
Haliburton County Echo.

We the following members agree to the foregoing: Gerald J. Wood, Mark Schell, Grant Scheffee, Eldon Cowen. Neil Howe, Lloyd Curry, Christie Cowen, Howard Roberts, Lloyd Baker, Harry Brohm, Neale Woodcock, Carmen Peters, Mike Biagi, Cecil Winter, Frank Roberts, Joe Iles, Ronald B. Sisson, Harry E. Good. Absent from meeting: Al Blanchard, Lance Easton, Wayne Wood.

At a meeting of the Dysart Municipal Council held on Tuesday evening, council rescinded Motion 96. Said motion had to do with acceptance of the resignation of Sidney Roberts as Fire Chief of the Haliburton Fire Department.

Another motion was also passed that Sidney Roberts be reinstated as Fire Chief and the motion also suggested that a better liaison be worked out between Council and Fire Department through the Reeve or his appointee. Deputy Reeve Walter Hobden registered a nay vote to both of the above motions.

The Clerk was instructed to prepare a by-law adjusting council fees as follows: Reeve $1500.00 per annum and Councillors $500.00.

James Cooper, Harold Bannon and Lloyd Coneybeare were appointed as a Parks Committee.

Subscribers Vote For Dial System

Dysart Municipal Telephone Subscribers held their annual meeting on Monday evening last and we would say that the attendance was nothing to brag about. From looking around it would seem that subscribers from the village of Haliburton could show more interest in the problems confronting the Dysart Municipal Telephone System.

Mr. Vinton Loucks, Chairman of the Telephone Commissioners, in his address gave an excellent report on the progress of the system drawing to the attention of those present that the number of new phones installed during 1966 was 168. At one time, said the speaker, there were 405 private phone systems in Ontario while at present only 126 remain. Mr. Loucks stated that he had enjoyed working with the present commission and if it was the wish of the subscribers he would be glad to serve for another term.

Lawrence Morrison who was also up for re-election spoke briefly as did Gary Agnew and Jack Robertson. After listening to the remarks of the commissioners one gathers that the Dysart Municipal Telephone System is in excellent hands.

Vinton Loucks and Lawrence Morrison were elected as Chairman and Commissioner respectively.

The question period which is always an interesting part of these meetings was well conducted and Mr. J. Earle Casey, Secretary-Manager, answered all queries in a most satisfactory manner.

Mr. James Cooper, Chairman for the evening, then brought up the subject of converting the system to dial, and after quite some discussion the subscribers were asked to vote yes or no on the question. The result was Yes 132 No 11.

Firemen Save Building

Fire broke out in what is known as the old Herlihey Store building in Tory Hill, on the highway going into Gooderham, on Sunday afternoon.

The Monmouth Volunteer Fire Department were called to the scene of the fire around 2 o'clock and their alert action saved the building.

A family were living in one end of the abandoned store.

Minden Kinsmen Meeting

The Kinsmen Club of Minden held their regular meeting on March 8 at the Wagon Wheel Motel at 7:30 p.m. Two guests were present, honourary member Kin Bill Locke and Mr. Bill Prentice.

Two new members were welcomed to the club, Mr. Sidney Brown and Mr. Lesley Hogg.

Minden club stands first on internal expansion for new members this year in Division One with nine new members as of February 1, 1967. In District 8 Timmins is in first place, Bracebridge second and Minden third.

After a very good chicken dinner reports on Anniversary Night were given and a report was presented by Kin Bob Austin regarding our participation in Cystic Fibrosis.

The club decided to purchase a round sign to advertise our club and meeting place.

A member of our club, Kin Glenn Keller, travelled to Ajax as a club representative for the installation of a new Kinsmen Club, The Kinsmen Club of Bay Ridges, sponsored by The Kinsmen Club of Ajax.

Bowling Tourney

On Sunday, March 12, the Bancroft Bowling Lanes were host to teams from Tweed, Minden and Bancroft. Teams from Whitney, Lakefield and a second team from Minden were unable to be present.

The following is a list of the teams and their respective pinfall:

Bancroft, Team 2	3444
Bancroft, Team 1	3229
Minden	3108
Tweed	2810

High triple went to Bill Stuart of Bancroft with a three game total of 740, and Willard Goodman, also of Bancroft, rolled the high single of 314.

Monthly Report Of Dysart T.S.A. Board

The School Board held a special meeting on February 22 at Lakeview School to meet the Teachers Committee to begin this year's salary negotiations. Also at this meeting the trustees agreed that again this year the board would authorize the spending of the maximum provincial grant on library books for the schools.

The Board met again on March 1 at West Guilford School to further study a proposed teachers' salary schedule. At this meeting also the Board passed motions regarding the purchase of school supplies for the coming school year.

On March 6 there was a special meeting held at Lakeview School regarding Oral French classes with a representative from each of Minden, Monmouth-Glamorgan, and Dysart School Boards, as well as Mr. Ward and some of the principals who are responsible for Grade 7 and 8 pupils. It was decided that the three School Boards represented would work together in hiring an Oral French teacher for the coming year, who would teach the Grade 7 course to all Grade 7 and 8 students under the three boards.

On March 16 the regular monthly meeting was held at Victoria Street School. The Board again met with the Teachers Committee and a tentative agreement was reached on the salary schedule. Again there was considerable discussion of next year's placement of students as well as many routine matters. A motion was passed that the Board acquire a piece of land this year for a future school building.

The next special meeting of the Board will be held shortly for the purpose of budgeting, and the next regular monthly meeting will be April 20.

OPP Report Quiet Period

Minden and Haliburton Detachments of the Ontario Provincial Police reported a very quiet period for the week ending March 18.

Minden Detachment reported one property damage accident in the amount of $50.00 and Haliburton reported one property damage accident in the amount of $20 00.

Minden officers spent 130 hours on patrol and patrolled approximately 5,200 miles for the week of March 12 to March 18. Haliburton officers spent 30 hours on patrol and patrolled approximately 1,200 miles during the same period.

Mentally Retarded Assoc. News

At the recent meeting of the Executive of the Haliburton Association for the Mentally Retarded plans were made for the Annual Banquet. This year the Banquet will be on Friday, May 12 in the Legion Hall, Haliburton. The speaker will be Dr. S. Koegler, Superintendent of the Mental Retardation Centre, Toronto.

The executive gratefully acknowledged a donation of used school desks and blackboards from the Township of Stanhope. They will be used in our day school for retarded children at Tory Hill.

Delegates were chosen to attend the O.A.M.R. 14th Annual Meeting and Conference in Ottawa. Mr. R. H. Anderson Jr., President of the local group, and Mr. T. E. Deterling, a member of the Educational Authority, will be the delegates.

This year a Youth Conference will be held concurrently with the Annual Meeting. Phyllis Deterling and Richard Nimigon will represent the local Association.

The members of the executive for the current year are: Past President - Rev. Amos Brubacher, Minden; President - R. H. Anderson Jr., Tory Hill; 1st Vice President - Nick Nimigon, Haliburton; 2nd Vice President - Mrs. E. Hewitt, R.R. 2, Minden; Secretary - Mrs. M. Cadell, Haliburton; Treasurer - Gerald Dawson, Haliburton; Residential Care Chairman - Mrs. W. Besse, Eagle Lake; Recreation - Mrs. R. H. Anderson Jr., Tory Hill; Home Care - Mrs. W. C. Bidgood, Wilberforce; Membership and Publicity - Mrs. T. E. Deterling, Wilberforce.

Mr. K. McAllister, Wilberforce, is in charge of religious education in our local day school.

Mr. John Hill, Lochlin, is the Association's representative on the Educational Authority.

The New Morality

One of the Workshops for Youth to be featured at the Faith At Work weekend in April will be on the timely subject of "The New Morality".

In the light of our changing society and in the light of our Christian faith, is the New Morality acceptable? Certainly all our young people should have a clear cut conviction on this topic and an intellectually sound reason for that conviction.

The Workshops for youth will follow a young people's breakfast at the United Church in Haliburton on Saturday morning, April 22nd at 8:30 a.m. We urge all young people to take advantage of these and the many other activities planned for them over the weekend. Don't forget the big Hootenany on Saturday night, April 22nd in the High School Auditorium.

Our Parking Situation

It seems that every village, town and city in Ontario is having a parking problem. Haliburton is no exception. The local council realizing the situation, are now going to go ahead with one hour parking instead of the two hours now in force. We understand that the new one hour regulation will commence just as soon as the new signs are erected.

Local businessmen and their employees have been asked to move their cars off the main street. This they have done but we still have the same problem of trying to get local citizens and visitors parking space. It seems to us that the present setup of marking tires is an obsolete idea and it is impossible for our local Law Enforcement Officer, Cec Winter, or anyone else to keep track of the many cars and trucks which are parked on the main street.

The only alternative to this is parking meters. If we don't want parking meters then a municipal parking lot should be located. With more and more summer visitors and cottage developments coming into the area the parking situation in Haliburton will be even more acute as time goes on.

Channel 5 Unsatisfactory

The citizens of Haliburton and surrounding area are far from being satisfied with the performance of the CKVR-TV Channel 5 Satellite Station in Haliburton. This new satellite station has been quite a disappointment to local TV viewers who in some cases have to depend on it if they are going to watch television.

Last week for instance this satellite station near Skyline Park in Haliburton was not in operation for long periods at a time. For one day it was off the air completely and at other times one could hardly see the picture.

Complaints from the area started coming in as many people phoned the Echo office to see what was the matter and wondered what could be done. Others came into our office, and the poor reception seemed to be the talk all over town. Well then just what can be done. In our opinion its about time that Mr. Ralph Snelgrove and his CKVR-TV station were told to either straighten out this matter or pull out and we will see if we can't get another television station to come in and put up another tower.

We can well recall when this satellite tower was erected in Haliburton. The powers that be were blowing about the fact that TV viewers from a radius of 26 miles or more would be picking up a good picture from the satellite. These statements sounded good at the time and we were really delighted to think that the people of Eagle Lake, West Guilford, Donald, Haliburton Lake and other cottagers would be getting good TV reception from Channel 5 at Haliburton. But it hasn't worked out and in other words its been a flop. Let's hope and pray that this situation will be remedied in the very near future.

Minden Library Meet

The whole committee was present for the March meeting of Minden Library Committee at the Library on the 13th.

There was some discussion of the furniture which had been purchased and the renovations in the interior. Further work on the building was an entry which can be removed but gives fine protection. The committee plan to do some lanscaping outside and would appreciate any perennial plants which people are discarding. Later in the spring the roof is to be checked as to whether it may need recovering.

Notices of the hours are to be ordered and sent to lodges, stores, etc. in this area.

Reports from the librarian were for January: members 169, hours open 43, and total circulation 724 books; for February members 59 hours open 40 and circulation 737.

Everyone coming to visit this building remarks how roomy it is and it makes display of the books a fine one. A cup of tea and lunch were served following the meeting.

OBITUARY

LAURENCE Albert HARRISON

Laurence Albert Harrison entered into eternal rest at the Red Cross Hospital, Haliburton on February 28, 1967. He was in his 71st year.

Born at the 11th Concession of Minden Township in 1895, he was the eldest son of William and Mary Harrison.

He served overseas for two years in the First World War, returning to work with his father on the farm, which he took over and managed after the death of his father.

In 1957 he married Vera (Cryderman) Taylor and the following year they moved to the residence in the village of Carnarvon where he resided until he deceased. He was known as a good neighbour and a kindly man.

Surviving are his wife, Vera Harrison; three brothers, Clayton, Alvin and Aubrey Harrison; three sisters, Della (Mrs. Frank Thomas), Fay (Mrs. Clare Hobden), and Edna (Mrs. McElwain). Four brothers, Milton, Calvin, Harold and Norman, and also two sisters, Mae (Mrs. L. Gartshore) and Leath (Mrs. T. A. Welch) of Maple Lake, predeceased him.

He was a faithful member of the Orange Order, and the Brethren held their service on the evening of March 1.

Rev. James Cargo conducted the funeral service from the John Welch and Son Funeral Chapel, Minden.

His body will be interred at Twelve Mile Lake Cemetery under the pines, a short half mile from his early home and which he loved so well.

IT'S TIME TO PROJECT

Is Defence Minister Hellyer, as he presses relentlessly for unification of Canada's armed forces, marching them straight into the twenty-first century, or straight into an abyss?

It depends on whom you listen to, these days, as one admiral after another goes down with all guns blazing. But I don't like the idea myself.

What will happen, for example, to the old, friendly give-and-take atmosphere that was prevalent among the services in World War (? You remember. When our air force used to bomb and strafe its own troops and ships. And the army and navy regularly took pot-shots at their own aircraft. All this jovial camaraderie will be lost.

Another thing. Who will the new forces fight when they go ashore on leave? If there are no soldiers, sailors or airmen to tangle with, they'll have to fight among themselves or beat up civilians. A bad show, either way.

But these are minor things, which could probably be ironed out in about 80 years. There is another, and more frightening prospect implicit in the formation of a single force. Dictatorship.

"Oh, come now", you say. "Don't be ridiculous. It could never happen here. This is a democracy. Canadians would never put up with it."

Don't kid yourself. Canadians who will put up with the kind of government, taxes and weather we have now would put up with anything. And the whole business would be as painless as kicking off your old galoshes and putting on a new pair of rubbers.

Let's project a little. Say 20 years into the future. Here's the picture. We have a doddering, fumbling, inefficient government. So what's new, you ask.

Don't interrupt. The only reason this government is in is that the opposition is even more hopeless.

By its tax policies, this feeble federal government has alienated both rich and poor, and has infuriated the middle-class. The provinces thumb their noses at it. Quebec treats it with Gallic scorn, while bleeding it to death with blackmail.

The United States is angry with it for its crushing taxes on the two-thirds of the country owned by U.S. corporations. The United States is also disgusted with it for its vacillating foreign policy.

A dim picture. Yes, but there is one flaming torch in the heart of this darkness. That is Uniforce.

It's the only thing in the country that Canadians are proud of. It is a crack force in every sense. Every one of the 100,000 men is handpicked. They are the pyhsical and mental elite of the generation. Their pay equals that of the average university professor. Their equipment is the best in the world. Their esprit de corps is superb.

And they've earned the right to swagger a bit, and push civilians off the sidewalk and openly pinch the bottoms of young matrons. In the Lower Frombosia incident, they proved themselves a tough, efficient and ruthless fighting machine. In the Upper Cambodia affair, they stamped out communism, socialism, democracy and the entire native population in two weeks. Time Magazine nick-named them the Canadian Cobras.

And the creator of this magnificent fighting force, envied by whole world? Two-fisted, jut-jawed Joe Garibaldi, the aggressive young Defence Minister, the only man in the cabinet who got things done. And people done in.

Before entering politics, the Honourable Joe, as the papers called him fondly, had fought his way to the top in the trade unions, thus learning what democracy was all about. His tough, no-nonsense treatment of creeping socialism in union ranks made him feared and respected by all.

He ruled the unions fairly, with an iron hand. As President of the Canadian Destruction Workers Union, he once shouted from the platform, to wild applause, "If you can't beat 'em in the union hall, beat 'em in the alley!"

Oh, dear. We've run out of space. But all will be revealed in next week's column. In the meantime, don't rush out and buy a shotgun, or start forming a resistance movement.

A special meeting of the Municipal Council was held on March 2, 1967 at the Clerk's residence, with the Reeve absent but all Councillors present.

Moved by McGillivray, seconded by Lewis that we appoint Louis Ruthven Acting Reeve for this Special Meeting.

Moved by Todd, seconded by McGillivray that we accept the offer of the Cardiff Township School Board of No. 7 School for the sum of $350.00 and notify the Secretary of the School Board immediately of our acceptance.

Moved by Todd, seconded by Lewis that we adjourn.

Towards the end of the 19th century the Cheechako (Indian word for city slicker) went to Canada's north west in search of a gold-rush fortune. In one of the Confederation Caravan exhibits, which will tour nearly 700 communities this year, a Cheechako pans for gold. Two young sightseers, above, decide to offer some help to the lifelike, animated model of the Cheechako, left.

CHURCH NEWS

RUTH DRYDEN
MISSION CIRCLE

Twelve members of the "Ruth Dryden Mission Circle" met together in Lakeside Baptist Church for their March meeting on Tuesday evening, March 14 at 7:30. Betty Salvatori was in the chair in the absence of President Eva Howe, who had prepared the meeting, but was unable to attend due to illness.

The meeting opened with the singing of hymn "Low In The Grave He Lay". Betty read the Scripture taken from the 19th Chapter of John, verses 23-27, and followed with prayer.

The minutes of the February meeting given by Ruby Roberts were adopted as read. A short business period was dealt with arising from the minutes.

It was brought to our attention by Betty that we have been requested to take our turn with ladies of other church groups in visiting and preparing refreshments for residents of the Hyland Crest Home. A discussion followed with some ladies volunteering to visit and others to bake.

A card of sympathy and two Sunshine cards are to be mailed out this month.

It was decided that we would give, as our Centennial project, a donation toward the expenses of five young people from Harmony Road Baptist Church, Oshawa, who hope to spend the summer months in Bolivia. It was suggested by Alice Hacker that we write and assure them of $25.00, but we hope to have a greater sum to assist these young people who perhaps may continue on serving our Lord on the Mission Field.

A letter was read by Ruby Roberts from Ruth Dryden, who has since returned to Bolivia for her second term of missionary service.

The Mission and Current offering was taken, followed by Mission Highlights which May Ward presented. Very interesting were the comments of a missionary in India who had received one of our hard food parcels. Food which is a part of our daily diet is considered as luxury items by our missionaries there.

A prayer session which proved to be a spiritual uplifting to all members followed Highlights. A Devotional entitled "It could be our Responsibility" and prepared by Eva Howe was read by Irene Roberts. The Mission Study on "The Growth of the Church in Canada" was given by Ruby.

The meeting was closed by singing the hymn "Open Mine Eyes" and the Mizpah Benediction. Refreshments were served by the hostess, Wilda and Betty.

B.A.C. CORPORATE
COMMUNION AND BREAKFAST

The Brotherhood of Anglican Churchmen held their monthly Corporate Communion and Breakfast at St. George's Anglican Church, Haliburton on Sunday morning with 22 members present, with President Vance English in the chair.

The President told the members present that we now have the required amount of funds in the Treasury and that the new kneelers for St. George's Church would soon be on order.

All present were given an outline of the many activities on the upcoming Faith-At-Work Conference to be held here in April.

Rev. Carder asked the members to try and make the Easter Communion at the 8 a.m. service this Sunday, March 26, thus relieving the crowded conditions at the 11 a.m. service.

The guest speaker was the Rev. Don Peel who is a missionary in India, and is at present at home in Canada on furlough.

Comment By R. Glen Hodgson, M.P.P.

Estimates of Department of Highways

The detailed examination of the estimates for the Department of Highways, which began on Tuesday, 28th of February, occupied the attention of the House until the evening session of Thursday, 2nd of March.

Amendment to the Regional Detention Centres Act 1965

On March 1st the Honourable Allan Grossman, Minister of Reform Institutions moved first reading of a bill to amend the Regional Dentention Centres Act 1965.

The amendment provides that counties entering into agreements for regional detention centres need not be adjoining. It also ensures that cities which maintain jails can enter into these agreements in the same manner as counties.

This bill also provides for the payment of construction grants for regional detention centres.

Juvenile and Family Courts Act

The Honourable A. A. Wishart, Attorney General, moved first reading of a bill to amend the Juvenile and Family Courts Act.

The amendments included in this bill provide for the establishment of the office of a chief judge of the juvenile and family court who would perform functions similar to those of the chief judge of the county and district courts and the chief magistrate.

A further amendment permits and enables the orders for maintenance and alimony, which are now made in the Surrogate Court, to be enforced by the juvenile and family court judge in the same manner that orders made in the Supreme Court are enforced by the juvenile and family court.

Annual Report of the Department of Transport

The Annual Report of the Department of Transport was tabled this week by the Honourable Irwin Haskett.

The statistics included in this Report illustrate very vividly for us the growing seriousness of the accident challenge.

The number of persons killed in collisions was 1,596 - down 15 from 1965. The number of injured however increased by 7% to 65,210. The number of accidents reported was up by 8.8% to 139,781.

The Minister stated that his measures to intensify and expand the Government's safety program would be announced shortly.

Meanwhile, he indicated that Government measures alone can not solve the problem, and called upon all citizens to recognize their personal responsiblities in this matter.

Prime Minister's Return to the House

On Monday, 6th March, our Prime Minister resumed his usual seat on the front bench to a very hearty round of greetings from every section. We were indeed glad to have him back, and more especially to see him looking so completely restored in health.

The Loss of the Governor General

Unfortunately for all of us, the Prime Minister's first task was to pay tribute to our late Governor General - General Georges P. Vanier - whose life of service ended as it had been lived, with dignity and serenity.

Heartfelt tributes to this distinguished Canadian were offered by the leaders of all parties, after which the House observed an appropriate period of silence.

Uncle Dudley's Column

The citizens of the Dominion of Canada suffered a grievious loss in the death of Georges P. Vanier, soldier, statesman and friend. Governor General of Canada, he and his wife, Mme. Vanier, brought to Rideau Hall a feeling of fellowship with the "common man" to a greater extent than any previous holder of his exalted position.

In this wide land and at a time when family life as it was known in the early part of the century was fast disappearing, they recognized the importance of some action in this respect. In 1962 Mme. Vanier and her husband gathered some interested folk to discuss this matter.

From this meeting the Canadian Conference on Family Life was formed to explore ways and means of remedying the situation. This movement of course will continue and we trust may bring forth fruit.

It is reported their days began and ended with prayer, and there is no doubt this practice guided them through many trying circumstances.

The Governor General's health which was in a very precarious position was well known to himself and the Prime Minister. He had recently been under the scrutiny of the best heart specialists of the continent, including Dr. Paul Dudley White of Boston and Dr. Paul David, a heart specialist from Montreal. Their report had not been made public before his passing on March 5th. He was serving extra time after the five year regular term of office and it was hoped that he might continue through this Centennial year, but it was not to be so.

From the stormy Atlantic to the shores of the Pacific, and from the ice bound Yukon to the gardens of Niagara, the citizens of Canada will long remember and cherish the memory of this worthy couple, and the sympathy of the entire community will be with Mme. Vanier and the family.

Clayton P. Rogers.

In Memory

On Monday, March 6th as I was leaving Dr. Carroll's office I told him I would send him a poem of how we felt about him. May I now, in his memory, send this beautiful message of what we thought of him in my family, and I am sure others as well.

"Blessed are the Hands that Heal"

Blessed are the hands that heal, beneath whose touch we feel, pain relieved and strength renewed; I think with constant gratitude, of hands that serve humanity. Hands that well and skillfully, bruised and broken bodies tend; hands that save and sooth and mend. Helping, easing, comforting, dressing, feeding, bandaging; I remember gratefully the hands that have bestowed on me life's best gift, its greatest wealth the gift of healing and of health.

A Friendly Church Welcomes You

THE NATION'S BUSINESS

By WILLIAM. C. SCOTT, M.P.

Four important pieces of financial legislation occupied the attention of the members of the House of Commons this week as the House resumed its work following a short recess occasioned by the untimely death of Canada's well-loved and highly respected Governor General, the Right Honourable Georges P. Vanier. Since I have not had a chance to so before now, I would like to pay a brief tribute to the late Governor General. Much has been and written about General Vanier's outstanding contributions to Canadian unity, of his love of people, particularly children, and his work in the preservation and strengthening of family life as part of the bedrock of our society. It is fair to say that it is difficult, indeed almost impossible, to overstate the value of his work and example in these areas. His life was one the worth of which will live for a long time to come.

After a three-day adjournment business was taken up again and the Bank of Canada Act, an income tax amending act, and an act to ratify the federal-provincial fiscal arrangements negotiated last fall, came before the House for consideration, and with the exception of the Bank Act, were given third reading and will now go to the Senate for debate there.

The Bank Act is perhaps the most important of the legislative items which the House considered this week. Under Canadian law, there must be a revision of banking legislation once every ten years but because of several factors the present bill is several years overdue. In the meantime Parliament has had to extend the existing law while waiting for the Government to decide its policy in this area and for the Banking committee to complete its consideration of the bill. While the bill was before the committee some 79 meetings were held to consider its provisions. Twenty-seven briefs were presented and 57 representatives of approximately 30 organizations were heard. Seventy-one amendments were proposed with the result that the bill is different in many respects from the one originally presented by the government to the committee.

In several respects there are still weaknesses in the bill. Despite the fact that it deals with the subject of banking, there is not a definition in it as to just what "banking" means. This omission is considered unnecessary by many, as there is a clause stating that it applies to the chartered banks, without spelling out anything more definite. Another weakness of the bill is its failure to implement the recommendations of the Porter Commission on Banking that the so-called "near banks" be brought within the ambit of federal legislation.

Thus far there has been no indication that the bitter dispute between Finance Minister Sharp and former Finance Minister Gordon over the matter of foreign control of Canadian banks has been settled, and many observers expect it will flare up again when this stage of the bill is reached.

Starting To Smoke??

Why do you want to start smoking? Isn't it because smoking seems to be a grown-up thing to do?

You may have tried smoking already. Ask yourself if you honestly liked it. If you honestly did, you are an exception. Most people, when they try their first cigarette, find that it gives them a choking cough, makes them sickish and makes them dizzy.

All right, you may say, then why do so many grown-ups smoke? If you ask them, you'll find that 90% of them will admit that they started because they thought it was the grown-up thing to do when **they** were young.

They will tell you, too, that once the first nasty effects are overcome (and it takes quite an effort to overcome them) smoking, like any other drug habit, becomes hard to give up. Ask them if they are glad that they began to smoke.

Again, you'll find that 90% of smokers will admit that they wish they had never started. There are many reasons for this. Heavy smokers waken in the morning with a most unpleasant and exhausting cough; they don't enjoy their food nearly as well as non-smokers; their breathing is affected, and this in turn affects their ability at games.

More serious than any of these, however, is the fact that scientists have discovered that heavy smokers run a very great risk of getting Cancer of the lungs, far more than do non-smokers, and Lung Cancer is a disease which results in death in most cases. Scientists have found that, although every heavy smoker will not necessarily get cancer of the lungs, many heavy smokers do, while the risk among non-smokers is much less.

There are other reasons why you should think twice before allowing yourself to form the smoking habit. If you want to be good at games, for instance, you'll find that most really good athletes don't smoke at all. Then there's the question of cost. If you start smoking, you will probably find yourself, in a very few years, with a craving that only 40 cigarettes a day will satisfy. At present average prices, this will cost you $5.82 a week or over $302.00 a year. Think of all the clothes you could buy with this money, or the holiday you could have with it, and then think again about starting to smoke.

Remember — smoking is costly, smoking is wasteful. At its best, it does you no good; at its worst, it can lead to a disease that will kill.

Merchants Lose Again

The Haliburton Merchants went down to a 6-4 defeat at the hands of Sunderland in the fifth game of their O.R.H.A. playoff round played at Sunderland on Saturday night last. The win gives Sunderland a 3-2 lead in games in the best four-out-of-seven series.

Playing before a large crowd the home town Sunderland club took a 2-1 lead in the first period and the game was 4-4 at the end of the second frame.

Ron Stackhouse led the Merchants with two goals while single tallies went to Dean Kemp and Scottie LaRue.

It took an hour and a half to play a rough and tumble first period which saw plenty of hard hitting, fighting and a large number of penalties.

In the first ten minutes of the game Phil Watson of Sunderland hit the linesman and he was banished from the game, and possibly the series. The linesman then left the ice and had to be replaced by a Baptist minister who was sitting in the stands.

Jim Scheffee, scoring ace for the Merchants, was only in the game for ten minutes when he got involved in a stick swinging duel and he also was banished from the game.

Sixty Coombs from Lindsay was the referee for the game.

The sixth game is scheduled for the Haliburton Arena this coming Friday night, March 24. It will be a must game for the Merchants, as they must win or the series will be over.

If a seventh game is necessary it will be played at Sunderland.

Midgets Defeat Little Britain

Last week the Haliburton Midgets dropped their first game to Little Britain by a 3-0 score in the first game of a two game total-goals O.M.H.A. playoff series in Little Britain.

When the Haliburton Midgets got back on their home ice at Haliburton for the second game played on Friday night last it was a different story. The local team had to make up a three goal deficit and this they did as they won a clean cut 5-0 victory to wrap up the two-game total goals series five goals to three.

The first period went scoreless but in the second period Haliburton came through with three goals and added two more in the final frame.

Karl Consack led the winners with two goals while singles went to Jim Allan, Gary Bailey and Paul Wilson.

The winning Haliburton Midgets badly outplayed the Little Britain team in this game, but the locals were backed up by terrific goaltending on the part of Louie Dummitt.

On the forward line Jim Allan who scored one of the five goals played a standout game going both ways.

The Haliburton defence unit of Craig Stamp and Roger Scheffee deserve honourable mention for the strong game they both played in helping to preserve the shutout.

The Midgets now go into the O.M.H.A. semi-finals against a team from Stroud. The first game of the best two-out-of-three series will be played at the Haliburton Arena this coming Saturday night, March 25 with the game starting at 8 p.m. Plan now to come out and cheer the Midgets on to victory.

Win Tournament

The Haliburton Bantams were the best team at the Oakwood Bantam Hockey Tournament played at Oakwood last Saturday, and came back with the Earl Manley Trophy.

The high stepping local Bantam team had to win three games to win the tournament.

In the first game the locals downed Beaverton by the score of 16-0. In the second game they defeated Blackstock 5-1, and in the final game they shut out Oakwood by the score of 3-0.

The winning Haliburton Bantams scored a total of 24 goals in the three games and John Parish, a terrific scorer, led the way with a total of 14 goals out of the 24.

Les Scheffee handled the team in the absence of his son Jim. Cliff Dawson, the manager of the team, was also absent as he is vacationing in Phoenix, Arizona.

Pee Wees Lose

The Haliburton Pee Wees lost their two-game total goals series against Oak Ridges when they dropped a close 7-5 decision at Oak Ridges on Saturday last.

The local Pee Wees dropped their first game in Haliburton by a 3-0 score. This means that in the round Oak Ridges scored 10 goals while Haliburton scored five.

The Pee Wees, under their coach Mark Schell and manager John Consack, have gone a long way this year and we look forward to seeing more from this team in another season.
